19 **STIPULATION AND PROPOSED  
DECISION**

20 All of the parties to this action hereby agree to enter into the following stipulation,  
21 resulting in complete resolution of the matter. Accordingly, the State Controller's Office (SCO),  
22 the Department of Finance (DOF), and Hanford Joint Union High School District (HANFORD  
or District) hereby agree as follows:

23 RECITALS

24 A. The independent accountant, Diane M. Augusto, CPA, conducted audits of  
25 HANFORD for the fiscal years ending June 30, 2001, and June 30, 2002.

1 B. Both reports contained findings related to the Morgan-Hart Class Size Reduction  
2 program, based upon the method of calculation of the student to teacher ratio, specifically  
3 Findings 01-2 and 02-2.

4 C. At the time, HANFORD did not have the ability to calculate an active monthly  
5 enrollment for the classes concerned.

6 D. HANFORD filed timely appeals of both audit reports.

7 E. HANFORD has subsequently developed the ability to calculate active monthly  
8 enrollment for the fiscal years involved in the two audit findings. The results are 612 and 841  
9 for fiscal years 2000-01 and 2001-02, respectively.

10 AGREEMENT

11 A. The SCO, DOF and HANFORD agree to utilize the numbers recently generated  
12 by HANFORD for active monthly enrollment, to revise the claims of HANFORD and determine  
13 their eligibility for Morgan-Hart Class Size Reduction Funds.

14 B. HANFORD agrees to refund the difference between the initial claims and the  
15 revised claims, a total of \$5,049, through a concomitant reduction in their next apportionment of  
16 funds.

17 C. SCO and DOF agree to accept the revised claims of HANFORD based upon the  
18 new numbers generated, and withdraw audit findings 01-2 of FY 2000-01, and 02-2 of FY 2001-  
19 02.

20 D. HANFORD agrees to withdraw their appeals [EAAP case numbers 02-11 & 03-  
21 05, Office of Administrative Hearings case numbers N2002090295 & N2004070117] with  
22 prejudice.
